While sanctioning the original estimate the cost was foreseen but met as follows:—

My dear Mr. Thumboo Chetty,

With reference to your D.O. No.763 of the 8th instant and in continuation of my D.O. No.1347 of 27th November last regarding the repairs to be carried out to the Kalighat Mysore Memorial at Calcutta, I write to state that I have had the matter examined. The Institution has no balance and the expenditure has to be met from a special grant made for the purpose. On going through the estimate I find that it consists almost entirely of repair items and the works have, I think, to be carried out. It would be convenient if half the items are taken up this year and the remaining ones next year. The total cost of the estimate is about Rs 4,400/- and we might provide Rs 2,200/- this year and the same amount next year. As the items of next year can be taken up early after July, the next whole estimate would be worked out in about six or seven months from now. If the arrangement now proposed might be adopted, I shall have orders issued for placing a sum of Rs 2,200/- at the disposal of Messrs Lazarus & Coy. for taking up this year the more urgent of the works included in the estimate which can be executed with the sum thus made available.

I herewith return the estimate for purposes of reference.

Schedule of Demands for Additional and Supplementary Grants for 1930-31 submitted to the Legislative Council.

(June Session).

Number of original Demand	Head of Account	Amount	Remarks	Amount
		Rs.		Rs.
1	1. Land Revenue ... 2—Charges of District Administration. (i) General Establishment. Travelling allowance of officers. (ii) Taluk Establishment. Travelling, allowance Establishment.	4,000	The allotment of Rs. 1,12,500 made in the current year's budget for meeting charges on account of travelling allowance to District and Taluk Officers and establishment has been insufficient, owing to increased touring on account of Census and other special work. An additional grant of Rs 4,000 is necessary.	4 000
5	IX. Interest Refunds.	20,232	A loan of Rs. 19,000 was sanctioned in 1895 to Inamdar Mr. M. Siddaraj Urs and Krishnajammanni Avaru on the mortgage of Tumbanerle Village Narasingud Taluk, under the rules for the grant of relief to encumbered Jahgirdars and Inamdars. In 1897 a further loan was sanctioned to make up a total consolidated loan of Rs. 27500. In 1905 the Inam Village was taken over under Government management, owing to default on the part of the debtors in the observance of the stipulated conditions. The net income from the property has just sufficed to meet the interest charges. The principal of the loan has practically remained intact The present representative of the family has prayed for certain concessions in view of the straitened circumstances of the family and has paid Rs. 5,000 in full settlement of the loan account. The case is one which is deserving of considerate treatment. It is accordingly proposed to close the old loan account by adjusting a sum of Rs 20,231-14-10 credited in the accounts as interest towards the principal of the loan This has been treated as refund of interest and a supplementary grant is asked for.	20,232
6	13 Muzrai Institutions (3) Construction and repairs.	2,200	An additional amount of Rs 2,200 is required to meet the cost of urgent repairs to the Kalighat Memorial at Calcutta which could not be foreseen at the time of settlement of the budget.	2,200

			Part of the expenses connected with the Birthday festivities of June 1930 having been debited to the grant of the current year, the normal provision made for meeting the charges connected with this year's Birthday festivities has got reduced by about Rs. 2,700. A supplementary grant of Rs. 5,000 is accordingly applied for to cover both the items.	5,000
			Total ...	77,000

The charges of repairing the tents in the Secretariat Stores as per bills of the Bangalore and Mysore Jails have amounted to Rs. 3,340-8-0. An additional grant of Rs 2,500 is necessary to meet these bills and also the charges incurred by the District Officers.	2,500
	Do Miscellaneous.		In the course of verification of the outstandings under Land Improvement and Takavi Loans wrong debits under Land Improvement loans to the extent of Rs. 8,190 in the Mysore District accounts for April 1925 were traced. These were amounts drawn in connection with the flood relief operations in the Mysore District, and should have been treated as advances made for purchase and lay-out of house sites in connection with flood relief. The D. C. B. accounts relating to these advances are maintained in the Revenue Department, the debit balances having been charged off to service heads in the books of the Audit Office. Following this arrangement, the erroneous debit to Land Improvement loan head now discovered has to be adjusted by transfer to the head Miscellaneous. Hence the supplementary demand.	8,190
	Loans written off ..		A loan of Rs. 11,068 was advanced on the surety of Mr. Chandy, to the late Mrs. George Mathai (daughter of Mr. K. Chandy) for prosecuting studies in England. He has paid Rs. 5 500 towards this loan. The lady having died, it is dicided that the balance should be written off. An additional grant is necessary to cover this write off.	5,568
			One Mr. Honnali Lal Sab was granted a loan of Rs. 70,000 by the late Agricultural Bank, Saklespur. He owed to the Bank at the time of its winding up a sum of Rs. 48,000. As a result of concessions extended uniformly to all indebted members, this loan account was reduced to Rs. 38,000. The several efforts made to recover the dues from the defaulter have proved unsuccessful and they have now to be written off as irrecoverable. A supplementary grant is accordingly applied for.	33,448
			A sum of Rs. 5 000 was provided in the budget under 17 Miscellaneous—5 Miscellaneous—Irrecoverable Loans Written off. This was supplemented by an additional grant of Rs. 4,838 in the December Session of the Legislative Council. As the total of the irrecoverable outstandings to be written off amounts to about Rs. 16,246, an additional grant of Rs. 6,408 is required to cover the demand.	6,408
